COLORISTA

Allure Ubud Moss (GREEN)

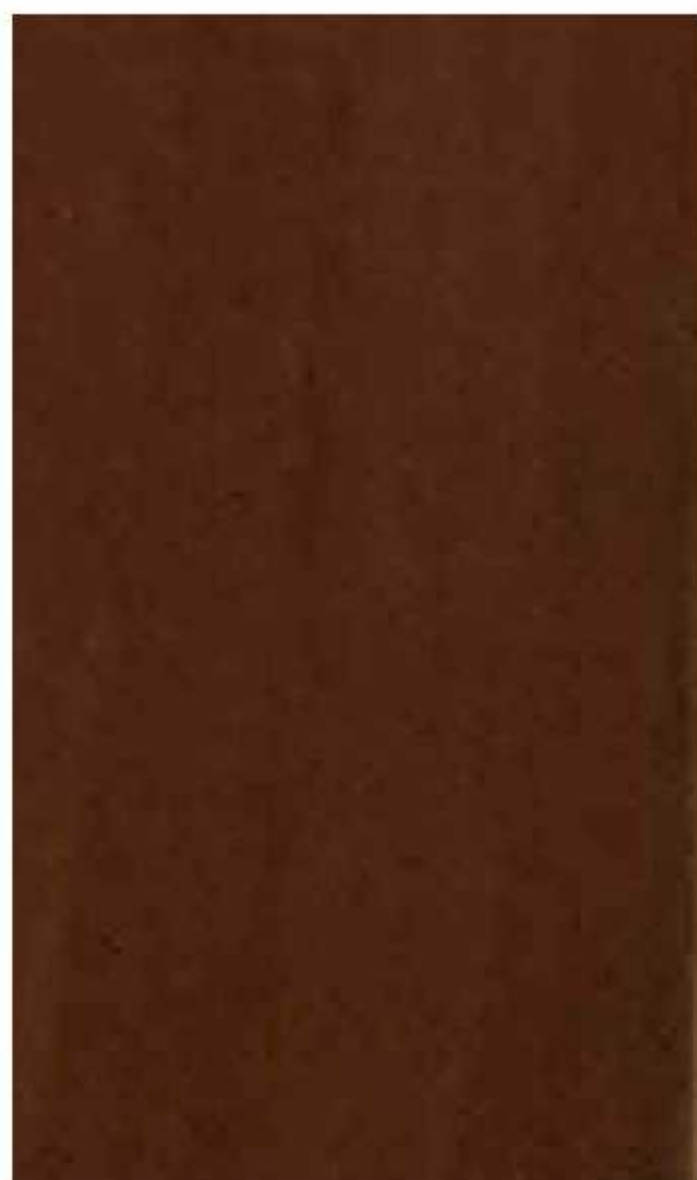

Inspired by the luscious nature and bounty of a living earth, this palette collection offers the cornucopia of colors that signify the warmth tonal character of what a dwelling place should be. Drawing from the Nordic blue sky to Kilimanjaro Desert along with the Equatorial Gems, this theme represents the range of what Mother Nature has to offer.

Allure Himalayan Sunrise (ORANGE)

Allure Winter Snow
(WHITE RAL 9003)Allure Madagascar Vanilla
(CREAM 301P)

Allure Belezza (WF)

Allure Prezioso (WF)

Allure Antique Brass

Stripped down to their core elements, these colors are drawn from the different hues of minerals and their atomic structures. The range of hues often represents the royal crystals such as Sapphire and Emeralds to the more contemporary precious metals such as Platinum. Everything about this collection is a personalized template of your own minerals.
